## VALUE TO OUR CLIENTS

Elite Effort specializes in recruiting in the Transportation and Waste industries.

Many of Elite Effort's clients are the leaders in the trucking, waste removal, document storage and destruction industries.

A key component to their success has been the flexibility of using Elite Effort's services to hire and retain quality workers.

Their long-term relationship with Elite Effort proves Elite Effort long standing value.

Many of Elite Effort's drivers and general labourers have gone on to become supervisors and managers for their clients.

Elite Effort Recruiting Corporation is an employment agency based in Toronto that services the labour and driver needs of local businesses.

Regarded as a "one-stop shop" for their hiring needs, Elite Effort's clients have been loyal customers of them since their inception in 2006.

Businesses often use Elite Effort as a means to recruit permanent and long-term workers as well as for temporary hiring needs.

Elite Effort's experienced recruiters and management have hired over 10,000 people over the course of their career and know the exact type of person you are looking for.

Whether it be for truck drivers, labourers or office staff, Elite Effort is the agency to contact.
